

**Banca Popolare  
di Sondrio**

FONDATA NEL 1871

**THE LIQUID FACTORY**

A Startup Factory in Valtellina\*  
attracting the best talent in the world  
to create the next Silicon Valley unicorn  
with a dual company structure

\* /Valtel'li:na/ : the center of the Italian alps

From an Italian Valley to Silicon Valley:  
We Fund Talent to Change the World

APPLY TO TLF BATCH 2024

- No experience or idea necessary
- You apply to TLF Batch 2024 by Oct 31<sup>st</sup>
- We invest €200K to create a new company with you at a €1M valuation
- You come to live in Valtellina and enjoy the mountains (6/18 months)
- You jump to Silicon Valley (with a flip)

# THE LIQUID FACTORY PEOPLE

We are entrepreneurs who created and worked for liquid companies\*, mainly in Silicon Valley. Some live in Valtellina, some in other parts of Italy, some in Silicon Valley

\* Liquid Company: no office, 100% remote

- The best skiing in the Italian Alps
- Exceptional food and breathtaking scenery
- Top hiking, climbing, rafting, mountain biking
- Proximity to Lake Como and Milan

Do **not** apply if you do **not** enjoy the outdoors

P.S.: Valtellina will host many Winter Olympics events in 2026

- We aim for global impact with ideas that can change the world
- We give you the capital to start, with no strings attached
- We succeed when you do: we are your co-founders

- Not an accelerator: we create companies
- Not an incubator: you join as an individual EIR (Entrepreneur in Residence)
- We only focus on global impact, aiming for Silicon Valley
- You have the freedom to use the €200K as you see fit

€4 Million from  
Banca Popolare di Sondrio

10-year of investment timeline

16 companies,  
4 EIRs per year,  
over 4 years
